Dear Mr Crozer

Petition: To reject plans to build a relief road on Deangate Ridge Golf and Sports Complex. We further call on Medway Council to retain Deangate Ridge Golf and Sports Complex as an asset that would further the social wellbeing and social interests of the local community such as a Country Park.

I am writing with regard to your petition, which will now be dealt with under the Council's petition scheme (copy enclosed).

Your petition has been referred to Director of Place & Deputy Chief Executive who should provide a response to you by no later than 7th May 2021.

Once you have received a response, you may ask for the matter to be referred to the appropriate Overview and Scrutiny Committee for consideration if you feel that the Council has not dealt with your petition properly. You should do this by giving notice to the Head of Democratic Services at the postal or email address above within 10 working days of receiving the response. It would be helpful if you would provide reasons should you decide to request a review.

Please note that information received as part of this petition, including names and addresses, shall be processed in accordance with the General Data Protection Regulations 2018. Upon receipt, Medway Council becomes the Data Controller of the information provided by this petition, which shall be processed for the purposes of this petition, including sharing the information with the lead petitioner, Council officers, Councillors or service providers where appropriate.

If there is anything I can help or advise on please do not hesitate to contact me.

Yours sincerely

Steve Platt
